

About Us

Vero Beach Locksmith, John Adams, CPS

John Adams (not to be confused with the president) has been a proud resident of Indian River County for the past thirteen years. He started Adams Lock & Safe five years ago when he got locked out of his own house. After four hours of waiting for a locksmith to let him in, he decided to become a locksmith himself. He is now the owner and sole locksmith of Adams Lock & Safe located in Vero Beach, FL. Some of his favorite things are riding his Harley, grilling out, going to the beach, and watching TV (especially Deadliest Catch, Naked and Afraid, and Party Down South).

John's goal for Adams Lock & Safe is to provide Vero Beach and the surrounding areas with a fast, efficient, and dependable locksmith who can fix any lock problems or issues. John is a Certified Professional Safetech, which means he completed the Safe and Vault Technicians Association ([SAVTA](#)) Proficiency Registration Program and is now qualified in multiple areas. He also has extensive knowledge in automotive, residential, and commercial locksmithing, as well as safes. John has furthered his locksmith education by attending many conferences and classes held across the nation and is always eager to learn new things that will help him become a better locksmith so that he can better serve you, our customer.

Adams Lock & Safe is a **mobile locksmith service** that is available **24 hours, 7 days a week**, which means you can call us at *any* time and we will come to you! Almost everything is stocked on the van itself, so there is no need to come to us.

Residential

24 Hour Residential Locksmith

Adams Lock & Safe is also an expert in residential locksmith services. When it comes to getting you back into your home, we have a quick response time and good prices.

The question we get asked the most is, "Can you rekey all the locks in my house to the same key?" The answer to that is: Yes, as long as it is the same brand of lock. Some of the most common household door locks are [Kwikset](#) and [Schlage](#), but Adams Lock & Safe is able to rekey *any* door lock. We also deal with high security lock brands such as [Medeco](#).

FREE SERVICE

If you ever find yourself locked out of your vehicle, the Indian River County Sheriff's Department will get into your vehicle for FREE! Just call (772) 569-6700 and tell them your situation. No guarantee they will be fast, but they will be free!

Commercial

24 Hour Commercial Locksmith

Adams Lock & Safe offers state-of-the art and affordable solutions for any size business. This includes property management companies, real estate firms, law firms, medical offices, hospitals, educational centers and more. Some of the services we provide include:

- Offices unlocked or opened
- Locks re-keyed
- Locks repaired/replaced
- Door hardware and installation
- Electronic locks installed and maintained
- Keys made
- Push/panic bars
- High security locks
- File cabinet locks
- Mail box locks

Because we are a mobile locksmith service, our locksmith travels in his own mobile warehouse filled with all tools, parts and equipment needed to complete any of the services we offer. Regardless of if you need to replace the push bars on your fire door or replace all the locks in your building, you can be sure that you will never have to wait for the part to come in. The reason you can be sure is because our technician keeps his mobile service unit fully stocked. This allows us to complete any type of commercial locksmith job right there on the spot. By keeping a full stock of the parts we need to secure your business, you are able to be at ease. In the rare case we do not have the exact part you need on our truck, we will still be able to properly secure the premises so no further damage can occur while we get the part you need installed for you as quickly as possible. Some of the brands that we service are [Kwikset](#), [Yale](#), [Schlage](#), [Best](#), and many more.

Vero Beach Locksmith

Emergency? Call (772) 360-9566 or text (772) 539-1467

Adams Lock & Safe now has a texting number! If for some reason calling doesn't get through, feel free to text this number – **(772) 539-1467** – Please be sure to put your name in the text as well as the problem you are having. We will be sure to respond as quickly as possible! Also, be sure to add both numbers to your contact list!

Adams Lock & Safe is a family owned and operated mobile locksmith business based out of Vero Beach, FL. We serve all of Vero Beach, Sebastian, and Fort Pierce. We are open **24 hours, 7 days a week** to answer any and all emergency calls with NO extra fees for "after hours" – *same price, no matter the time!*

Our Mission

At Adams Lock & Safe, we want you to know that we are a local, friendly, family owned and operated business. We also want you to know that we are looking to make your experience with us quick and easy, especially in an emergency. When you call our number, our very knowledgeable locksmith answers your call directly, not some operator sitting in front of a computer. He can answer any and all questions you may have, whether it's about a rekey for a property, or making a new car key. If we are on the other line with another customer, please leave a message with your name and issue and he will be sure to call or text back immediately after completing the other call.
